ALL STUDENTS (new and returning): Please attach a one-page **handwritten** essay explaining how you feel Heritage can aid you in your future goals. This is to be done without parental assistance and **must accompany this request form**.

*** If not currently enrolled in Heritage,** please also attach a brief evaluation of the student's academic background/achievements.

With your (i.e. parent's) signature, please verify that you have read and agree with Heritage Classical Study Center's *Theological and Philosophical Foundations* and *Practical Matters* (including your legal responsibilities for reporting to your local school system), and that you wish to enroll your child in the program. A non-refundable **application fee of \$50.00** (made payable to Heritage Classical Study Center) **and essay** must be enclosed to complete this application process.

My signature below indicates that I understand the following:

- This form is a **request for admission** and it is not a **guarantee of admission**.
- If my form is received after classes are filled, my student will be placed on a waiting list.
- Upon acceptance, a contract will be issued for me to sign and return within 2 weeks of receipt.
- If my student is accepted, a **registration fee of \$250** is then due and must accompany my signed enrollment contract to be returned within two weeks. If I submit my application form(s) **after May 1st**, the application fee remains the same, but the registration (contract) fee **increases to \$350**.
- The May 1st deadline is the end of the discounted registration fee. It impacts the amount of registration fee paid when the contract is returned. It is not an end of the registration period. If space is available, applications will still be considered after that date until the classes are filled.
- Monthly tuition is **due the first week of each month** of the school year and will be specified in the contract issued. The contracted tuition is due even in cases of expulsion or **withdrawal** from program. (Moving away is an exception.)
- I am responsible for purchasing the necessary books. I understand that I will get a list with specific ISBN numbers and must purchase those.

Early Admission period ends May 1st.

After May 1st, approved admission requests will incur the full registration fee of \$350.
Application fee is always \$50.

Theological and Philosophical Foundations

The Purpose of Heritage Classical Study Centers

The purpose of Heritage Classical Study Centers is to help mold our students into thinkers - young men and women who do not simply regurgitate the information they have been fed but rather who analyze, critique, and affect the world by applying Biblical wisdom to their lives, families, and communities. Heritage offers homeschooling families a unique complement to their home study programs by providing one day per week of classroom instruction, with an emphasis on classical as well as traditional subjects taught from a distinctly Christian perspective. Each student attends one day per week, according to his or her age group.

Philosophical Perspective

Heritage Classical Study Centers recognize that God has ordained parents as the agents responsible for the academic and spiritual nurturing of their children. We also acknowledge that public education, by its very nature, must necessarily fail to present a Christian world view in its educational approach; therefore state schools cannot adequately teach children to love God with all their hearts, minds, souls, and strength. Christian emphases aside, public schools by and large have fallen far short of providing a solid foundation even in the academic areas they purport to teach. Thus Christian academies and homeschooling have become significant alternatives for parents seeking superior academic and spiritual training for their children.

Truly Biblical training, however, whether in the Christian academy or in the home school, must be more than the teaching of subjects from a secular perspective with prayer and Bible study thrown in to sanctify the process. Truly Biblical education first will recognize the learning capacities and inclinations that God has equipped children to possess at various stages in their development, and then it will make every effort to communicate truth effectively to each child from a specifically Biblical perspective. Each area of learning can be rightly understood only when seen as an aspect of God's creation, designed and interpreted by Him. For example, the sum $2+2=4$ is true today and will be true tomorrow not just because "that's the way things are" but because the personal and rational God has revealed Himself in an orderly and rational universe. At Heritage, we seek not just knowledge, but understanding and wisdom as well. *Knowledge is "knowing the answer."* *Understanding is knowing why it's the answer.* *Wisdom is applying the understanding of truth to one's life in a godly fashion.*

It is our goal that Heritage students learn to THINK, Biblically and logically - not just to blindly memorize seemingly unrelated and irrelevant facts required to do well on tests. The Heritage student is taught to be a lifelong learner of new information, to consistently evaluate and critique relevant issues, and to always seek skillfully to communicate his thoughts. We desire for all students at Heritage learn factual and philosophical truth, learn to evaluate the messages they are receiving from the world around them, and learn to defend their beliefs in a persuasive and winsome manner.

Heritage Classical Study Center

Practical Matters

Students are accepted on a first come, first served basis. There is a \$50 per student nonrefundable application fee which is to be submitted with the application. Also, an integral part of the application is a handwritten essay by the student explaining how Heritage can aid in their future goals.

When your student is accepted into the program, Heritage will issue a contract to you for your signature. When you return the contract, you will submit the registration fee of \$250 (\$350 if you requested admission after May 1st). If a student withdraws after formal acceptance, registration fees will be forfeited.

For **HIGH SCHOOL students** enrolling for the 2020-2021 academic year, the annual tuition is \$2,250 (\$250 per month). Discounts are given for additional students from the same family.

For 7th/8th grade students enrolling for the 2020-2021 academic year, the annual tuition is \$2,115 (\$235 per month). Discounts are given for additional students from the same family.

	First Student Monthly Tuition	Each Additional Student
HIGH SCHOOL	\$250	\$215
8 / 7	\$235	\$200

See the chart above to determine the total for your family.
(High school student is always considered the first student.)

- *Example #1:* one high school student and one 8/7 student

$$\$250 \text{ plus } \$200 = \$450$$

- *Example #2:* two high school students

$$\$250 \text{ plus } \$215 = \$465$$

Tuition is due on the first class day of each month from September through May, unless other arrangements are made with Heritage. Tuition is payable in either two installments (Sept. and Jan.) or in nine installments (Sept. through May). **If a student withdraws or is expelled from the program, full tuition for the year is still due.**

A late-payment fee of \$25 may be added to your balance anytime after the end of the month unless arrangements have been made for a late or deferred payment.

Your Legal Obligations

Heritage instructors are tutors. Under the law, you are still your student's teacher. Therefore, enrollment in Heritage does not release you from your obligation to file a Declaration of Intent to pursue a home study course.

While monthly attendance reports are no longer required by the state, Heritage families are strongly urged to submit their **monthly attendance records** via *Homeschool Compliance* (www.homeschoolcompliance.com). We have found that many students have needed these records. By filing with *Homeschool Compliance*, they will be at your disposal should you need them. *Homeschool Compliance* provides you with a return receipt and 12 years of offsite backup. There is a small fee (payable to *Homeschool Compliance*) of \$12 per year. If you are new to *Homeschool Compliance*, you get a 3 month free trial. You may also file your GA Declaration of Intent through Homeschool Compliance.

Books

Parents are responsible for obtaining books for their student(s). A list of required books will be supplied to you upon acceptance. It is important that each student have his or her own copy of each book on the list even if you have two students in the same class.

In order to save money, you are welcome to buy used copies of the books, **but the ISBN must match the one on the book list.**

Parental Participation

Parents are expected to attend class once per semester. There is a signup process so you are able to choose the days that are most convenient for you.

Why do we institute this policy? We live in a very litigious society. Since we want Heritage to be around for a long time to come, we want to protect Heritage from frivolous, unwarranted lawsuits. This has not been a problem to date for Heritage, but similar programs have had some problems. As home school parents you have made many sacrifices and invested a great deal in your child's education. We do not want for you to lose Heritage because of an unwarranted lawsuit. By always having a parent present, there will be two adult witnesses to anything that takes place in class.

An added benefit to this policy is that you, as parent, will see classes from time to time. This will give you a better idea of what goes on in class, and help you to better support your student.

We use Google Groups to send out emails to our Heritage families. A parent is required to be a member; students may elect to join the email list by asking Mrs. Meents to add them. We ask for the parent(s) to commit to checking email often and reading it thoroughly.

Upon Acceptance, you will receive...

...a contract for you to sign and return to us in hardcopy format.

...a handbook with more information regarding our Offsite Credit Transfer program and general information about HCSC.

...a list of books and supplies for the school-year (including EXACT ISBN and edition).

Heritage Classical Study Center

Discipline and Dress Code

Like education itself, a child's discipline is the responsibility of his parents. Heritage Classical Study Center, however, will discipline, as needed, the students placed in its charge *in loco parentis*. *A student who is willfully disobedient or consistently disruptive to the class will be referred to his parents. Failure to improve may result in expulsion.*

Our required uniform is khaki slacks or shorts (with belts) for boys and khaki slacks, skirts, or shorts for girls. All students will wear approved white or blue shirts with the Heritage logo. Shirts and other approved items are available at **Lands' End Uniforms**.

Though parents may choose to purchase khaki pants or shorts there as well, it is not required that you purchase from our supplier. White or navy blue sweaters may be worn in cold weather. Students may also wear navy blue pants (though NOT blue/denim jeans) with white Heritage shirts. Shoe color and style are left to the parents' discretion.

In all cases, we wish for students to be modestly dressed. Therefore, please remember when specifying shirt size for polo shirts to request a size that will not be too tight. Also, it is preferred that no student wear distracting accessories/jewelry. This is, of course, a subjective matter, but an example might be girls wearing very large hoop earrings.

The dress code is not intended to suggest that a student with a tight shirt or oversized earrings is somehow unspiritual. Rather, it is intended to minimize the many distractions that students already experience in their studies so that they may focus as much as possible on their academic work.
